Interested in doing more for our school? Become a Greenback Donor or Family Sponsor! Help with the Wilderness Oak Mountain Trek competition between the grades for Greenback donations. Your donation (beyond the standard \$7 membership fee) will go towards your student's grade total and will be divided evenly between multiple children in the same family. Students will receive keychains and additional beads for their grade levels' progress towards our goal of \$12,000 for the school. If we reach the school goal, Mr. Harrington will camp out for a day of school after the end of the competition! Competition ends 9/30!
